RESULTS OF THE VOTING AT THE SPECIAL TOWN MEETING MAY 13, 1980

The article as it appeared on the ballot was:

Are you in favor of rezoning from residential to business zone the Page property, so known, located on Route #32 in North Swanzey, easterly side, to include all that portion line and easterly from Route #32, which is presently zoned residential?

A total of 130 persons voted.

121 voted yes 8 voted no 1 ballot was spoiled

RESULTS OF THE VOTING AT THE SPECIAL TOWN MEETING OCTOBER 21, 1980

At a Special Town Meeting held in Whitcomb Hall on October 21, 1980 from 12:00 noon until 9:00 PM (with the polls closed at 8PM) it was voted 200 in favor and 59 against to amend the Swanzey Zoning Ordinance to read:

ELDERLY HOUSING SECTION 3 (1) D (1)

1. The following uses may be permitted by the Board of Adjustment as a Special Exception subject to the conditions and specifications set forth herein, if the Planning Board pursuant to its Site Plan Review Authority finds that the specific site is

an appropriate location for such a use, and if in each case it has an adequate water supply and sewage disposal system, and meets all applicable requirements of the State of New Hampshire.

a. ELDERLY HOUSING. It is declared to be in the public interest and the general welfare of the Town of Swanzey to encourage the development of housing for the elderly/handicapped as defined by the regulations of the Department of Housing and Urban Development, as written or amended. The purpose of this section is to establish the special exception conditions which such a use must satisfy, and where these regulations differ from other sections of the Zoning Ordinance, the provisions of this section shall take precedence.

Any site proposed for elderly housing under this section must be located in close proximity to such support services as shopping, medical, places of worship, and others necessary to meet the needs of the elderly.

Recognizing the (1) desirability of locating elderly housing developments within the more intensely developed areas of the community where related support services are usually available; (2) the problems of land assemblage within these areas; and (3) the potential social, cultural and physical advantages to the elderly of "group living", the Board may permit a density level of not more than 10 units per acre for elderly housing projects. The Board may further permit such units to be constructed within multiple buildings on the site.

Off-street parking must be provided on the project site at the rate of one space per dwelling unit.

Recognizing the potential physical limitations of the elderly, the Board may permit a vehicular drop-off area within the required front yard area within the district.

At the discussion part of the meeting which opened at 7:00 PM, the question relative to electing the Planning Board Members failed with a count of 53 to 61.

38. To see if the Town will authorize the Selectmen to sell at Public Auction any tax deeded property owned or received by the Town, or take any action thereon.

39. To see if the Town will authorize the Selectmen to apply for, accept and expend without further action by the Town Meeting, money from the State, Federal or other governmental unit, or private source which becomes available during the year as noted in RSA 31 as amended.

40. To see if the Town will vote to raise and appropriate the sum of \$71,200.00 to have a reappraisal of Town properties by the State Department of Revenue Administration.

41. To see if the Town of Swanzey will raise and appropriate the sum of \$500.00 for the support of the Grand Monadnock Arts Council, or take any action relating thereto.

42. To see if the Town will authorize the Selectmen to sell two parcels of land:

Parcel 1—on Map 72, a portion of lot 84 comprised of approximately $\frac{1}{8}$ acre adjacent to Brown Field.

Parcel 2—on Map 38, lot 23 comprised of approximately 7 acres off the Mathews Road deeded to the Town by Frank Palazzi Construction.

43. To see if the Town will vote to petition the Representatives and Senators who represent the Town in General Court to support in the current session of the General Court, the concurrent resolution to amend the State Constitution to limit the annual increase in property taxes to five percent and to limit the annual increase in spending by the State or any city, town, or other governmental unit of the State to five percent. (Inserted by petition).

44. To see if the Town will vote to rescind the dog leash law as voted November 4, 1980. (Inserted by petition)

45. To see if the Town will authorize the Selectmen to change the fire insurance policies on Town Buildings to include a \$1,000.00 deductible clause for each fire loss, or take any action thereon. (The above could save about \$800.00 per year).

46. To see if the Town will vote to ammend the SwanzeY Zoning Ordinance regarding the establishment of a Flood Plain District, as follows:

Amend Section 2, Establishment of Districts, adding:

D. Flood Plain District

1. The Flood Plain District is herein established as an overlay district. The underlying permitted uses shall be allowed only by special exception provided they meet the additional requirements set forth in Article No. 17 of this ordinance. The Flood Plain District includes all special flood hazard areas designated as Zone A, A1-30 on the SwanzeY Flood Insurance Rate Maps (FIRM) and the Flood Boundary and Floodway Maps, dated May 5, 1981 on file with the Town Clerk, Planning Board and Building Inspector. These maps as well as the accompanying SwanzeY Flood Insurance Study are incorporated herein by reference.

Delete Section 17, and replace with the following:

Flood Plain District Regulations

- A.** In the Flood Plain District all development is prohibited except by special exception from the SwanzeY Zoning Board of Adjustment. The term “development” is defined to mean “any man-made change to improved or unimproved real estate, including but not limited to buildings or other structures, mining, dredging, filling, grading, paving, excavation, or drilling operations.”

No Special Exception shall be granted in the Flood Plain District except under the following conditions:

1. The proposed development is otherwise permitted in the underlying district.
 2. The applicant demonstrating that such development in the floodway shall not result in any increase in flood levels during the occurrence of the 100 year flood.
 3. The placement of Mobile Home Parks is hereby prohibited in the Flood Plain District and no Special Exception shall be granted for the placement of such Park in the Flood Plain District.
 4. The Zoning Board of Adjustment shall upon approval of a Special Exception notify the applicant in writing that a permit must also be obtained from the Building Inspector and that the following regulation shall apply to the granting of such permit.
- B.** The following regulations shall also apply to all lands in the Flood Plain District, such lands having been designated as flood hazard areas by the Federal Emergency Management Agency (FEMA) in its “Flood Insurance Study for the Town of SwanzeY, N.H.” together with the associated Flood Insurance Rate Maps and Flood Boundary and Floodway Maps of the Town of SwanzeY, and dated May 5, 1981, which are declared to be part of this ordinance.

1. The Building Inspector shall review all building permit applications for new construction or substantial improvements (meaning any repair, reconstruction, or improvement of a structure, the cost of which equals or exceeds 50 percent of the market value of the structure either (a) before the improvement or repair is started, or (b) if the structure has been damaged, and is being restored, before the damage occurred) to determine whether proposed building sites will be reasonably safe from flooding. If a proposed building site is in a location that has a flood hazard any proposed new construction or substantial improvement (including prefabricated and mobile homes) must (i) be designed or (modified) and anchored to prevent floatation, collapse, or lateral movement of the structure, (ii) use construction materials and utility equipment that are resistant to flood damage and (iii) use construction methods and practices that will minimize flood damage.
2. Where new and replacement water and sewer systems (including on-site systems) are proposed, the applicant shall provide the Building Inspector with assurance that the systems are located, designed, and will be constructed to minimize infiltration and avoid impairment by flood waters.
3. The applicant shall furnish and the Building Inspector shall maintain for public inspection and furnish upon request, any certification of flood-proofing, and information on the elevation (in relation to mean sea level) of the level of the lowest floor (including basement) of all new or substantially improved structures, and include whether or not such structures contain a basement, and if the structure has been floodproofed, the elevation (in relation to mean sea level) to which the structure was floodproofed.
4. The Building Inspector shall review proposed development to assure that all necessary permits (including WSPCC and Water Resources Board) have been received from those governmental agencies from which approval is required by Federal or State law including Section 404 of the Federal Water Pollution Control Act Amendments of 1972, 33 USC 1334. It shall be the responsibility of the applicant to certify these assurances to the Building Inspector.
5. In riverine situations, prior to the alteration or relocation of a watercourse, the applicant for such authorization shall notify the Special Board on Dredge and Fill and the Office of State Planning and submit copies of such notification to the Building Inspector and the Federal Emergency Management Agency. Further, the applicant shall be required to submit copies of said notification to adjacent communities, as determined by the Building Inspector.
6. Within the altered or relocated portion of any watercourse, the applicant shall assure to the Building Inspector, that the flood carrying capacity of the watercourse is and will be maintained.

The following requirements shall apply in specific zones designated on the Flood Insurance Rate Maps:

7. *In unnumbered "A" zones*, the Building Inspector shall obtain, review, and reasonably utilize any base flood elevation data available from a Federal, State, or other source, until such other data has been provided by FEMA, as criteria for requiring that (i) all new construction and substantial improvements of residential structures have the lowest floor (including basement) elevated to or above the base flood level, and (ii) that all new construction and substantial improvement of non-residential structures have the lowest floor (including basement) elevated or floodproofed to or above the base flood level.

8. *In zones "A1 through A30"*, for new construction and substantial improvements, the Building Inspector shall require that: **a.** Residential structures have the lowest floor (including basement) elevated to or above the base flood level.

b. Non-residential structures have the lowest floor, (including basement) elevated to or above the base flood level; or together with attendant utility and sanitary facilities, be designed so that below the base flood level the structure is watertight with walls substantially impermeable to the passage of water and with structural components having the capability of resisting hydrostatic and hydrodynamic loads and effects of buoyancy.

9. *In zones "A1 through A30"*, where floodproofing is used in lieu of elevation, a registered professional engineer or architect shall certify to the Building Inspector that the floodproofing methods used are adequate to withstand the flood depths, pressures, velocities, impact and uplift forces and other factors associated with the base flood. (To be voted on by ballot)

47. To see if the Town will vote to add a new Section 18 to the SwanzeY Zoning Ordinance to establish a Wetlands Conservation District as follows:

Sub section 1 *District Boundaries*

The Wetlands Conservation District is hereby determined to be those areas identified and delineated as poorly drained or very poorly drained soils by the National Cooperative Soil Survey through field mapping surveys completed in 1979 and shown on field mapping photographic sheets for the Town of SwanzeY, New Hampshire. The Wetland Conservation District as herein defined is shown on a map or maps designated as the Town of SwanzeY Wetland Conservation District Map and is a part of the "Zoning Map" of the Town of SwanzeY, New Hampshire. For a detailed explanation of Soil Types, see "Soils Information for Resource Planning", Town of SwanzeY, Cheshire County, New Hampshire, on file with the Town Clerk and the Planning Board.

Sub Section 2 *General*

In all cases where the Wetland Conservation District is super-imposed over another zoning district in the Town of SwanzeY, that district whose regulations are the more restrictive shall apply.

Sub Section 3 *Purpose*

In the interest of public health, convenience, safety and welfare, the regulations of this District are intended to guide the use of areas of land with extended periods of high water tables:

A. To prevent the development of structures and land uses on naturally occurring wetlands which would contribute to pollution of surface and ground water.

B. To prevent the destruction of natural wetlands which provide flood protection, recharge of ground water supply, and augmentation of stream flow during dry periods.

C. To prevent unnecessary or excessive expenses to the Town to provide and maintain essential services and utilities.

D. To encourage those uses that can be appropriately and safely located in wetland areas.

Sub Section 4 *Permitted Uses*

Any use that does not result in the erection of any structure or alter the surface configuration by the addition of fill and that is otherwise permitted by the zoning ordinance:

A. Forestry—tree farming;

B. Agriculture;

C. Water impoundments and construction of wells for water supply;

D. Drainage ways—streams, creeks, or other paths of normal runoff water;

E. Wildlife habitat management;

F. Parks and such recreation uses as are consistent with the purpose and intentions of Sub Section 3;

G. Conservation areas and nature trails;

H. Open space as permitted by subdivision regulations and other sections of this ordinance.

Sub Section 5 *Special Exceptions*

Special exceptions may be granted by the Board of Adjustment for the following uses within the Wetland Conservation District:

A. Streets, roads, and other access ways and utility rights-of-way easements including power lines and pipe lines if essential to the productive use of land not so zoned and if so located and constructed as to minimize any detrimental impact of such uses upon the wetlands.

B. The undertaking of a use not otherwise permitted in the wetlands Conservation District, which may include the erection of a structure, dredging, filling, draining, or otherwise altering the surface configuration of the land, if it can be shown that such proposed use will not conflict with the purpose and intentions of Sub Section 3 and if such proposed use is otherwise permitted by the zoning ordinance. Proper evidence to this effect shall be submitted in writing to the Board of Adjustment and shall be accompanied by the findings of a review by the Cheshire County Conservation District.

Sub Section 6 *Special Provisions*

1. No septic tank or leach field may be constructed or enlarged closer than seventy-five (75) feet to any wetland.

2. Wetland areas excluding bodies of water may be used to satisfy minimum lot area and setback requirements and may be used when applying a residential density factor, provided that that portion which is wetland does not exceed twenty-five (25) percent of either the minimum required lot area or the gross tract area to which a residential density factor is being applied, and provided that the remaining lot area or gross tract area is sufficient in size and configuration to adequately accommodate all required utilities such as sewage disposal and water supply; for onsite septic tank and leach fields this shall include both a primary and a secondary leach field location.

Sub Section 6 *Effective Date*

This ordinance shall take effect immediately upon its adoption.

Given under our hands and seal, this 12th day of February, in the year of our Lord nineteen hundred and eighty-one.

**TOWN OF SWANZEY
SWANZEY, NEW HAMPSHIRE
30-3-003-018
REVENUE SHARING AND
ANTIRECESSION COMPLIANCE REPORT
DECEMBER 31, 1979**

We have examined the financial statements of the Town of SwanzeY (the "Town") as of and for the year ended December 31, 1979, and have issued our separate report thereon dated March 31, 1980. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In connection with our examinations, we performed tests of the Town's compliance with the Revenue Sharing and Antirecession Fiscal Assistance Acts and Regulations ("regulations") as required by Section II.C.3 and III.C.3 of the Audit Guide and Standards For Revenue Sharing and Antirecession Fiscal Assistance Recipients ("Guide") issued by the Office of Revenue Sharing, U.S. Department of the Treasury, and compared the data on Bureau of Census Form RS-9C for the year ended December 31, 1978 with the unaudited records of the Town of SwanzeY as required by Section II.C.4 of the Guide. Our findings are set forth below:

A. The Bureau of Census Form RS-8 was not available for our review as required by Section II.C.4 of the Guide. We did obtain and review the Bureau of Census Form RS-9C for the year ended December 31, 1978 and it was in substantial agreement with the unaudited records of the Town except for the following:

1. Included in Part II A, Column A was \$1,313,527 of current education expenditures. This amount represents a transfer by the Town to a school district and is not an expenditure of the Town in accordance with the instructions on the form.

2. Also included in Part II A, Column A was \$18,000 for various capital expenditures, which represented transfer to other funds. The actual capital expenditures are included under current expenditures in Column A.

3. Under Part III, \$60,000 of a note payable outstanding at end of fiscal year was not included.

B. Section 51.14 (c) of the Revenue Sharing Regulations requires publication, in a newspaper of general circulation or by alternative means, of a public budget hearing. The notice is to include the intended uses of entitlement funds and a summary of the entire proposed budget. The Town had failed to include in its publication the intended uses of entitlement funds and a summary of the entire proposed budget.

C. Section 51.14 (g) of these regulations requires a published notice, in a newspaper of general circulation or by alternative means, that a summary of the enacted budget is available for public inspection within thirty days of its enactment. The Town did not publish, in a newspaper, notices as required by Section 51.14 (g), but, by alternative means and following their own local procedures, purportedly made available the Town's Annual Report at the Town's offices during regular business hours and at the Town meeting. This Annual Report contained the intended uses of entitlement funds and a summary of the entire Town's proposed budget. The budget was approved at the Town Meeting by the voters and, therefore, became

the enacted budget. No additional publications of the enacted budget were made. The Town issued a subsequent Annual Report which reported the results of the prior Town meeting.

D. Section 52.11 (a) of the Antirecession Interim Regulations requires publication, in a newspaper of general circulation, of the actual use of the Antirecession Funds reported in the Census Bureau Form RS-9C. This publication must be within seven days after filing the report with the Office of Revenue Sharing. Section 52.11 (e) of these regulations requires that the Town notify the news media of the publication of the report and that copies of the report are available upon request. The Town failed to publish the required notice and advise the news media of the availability of the report as required by Sections 52.11 (a) and (e) of the regulations. The Town did publish the actual use of the Antirecession Funds in its Annual Report.

Based on the aforementioned procedures, we noted no other instances of possible noncompliance with the regulations for the year ended December 31, 1979 and no other material differences between the data on Bureau of Census Form RS-9C and the records of the Town of Swanzey for the year ended December 31, 1978.

MT. CAESAR UNION LIBRARY

Librarian's Report

Activities sponsored by the library this past year included a summer film program in cooperation with the Stratton Free Library in West Swanzey; the annual vacation reading program; spring and fall Story Hour for children in grades 1 through 3; bi-monthly Story Hour for the Cooperative Kindergarten. An exhibit, created by Hazel Fuller, at the Cheshire Fair won a blue ribbon and prize money.

Over 500 books were added to the book collection. These include several memorial gifts, substantial donations of children's and adult fiction and non-fiction books as well as monthly acquisitions of newly published books. Refund coupon and sewing pattern exchanges were set up.

Many individuals have donated time and effort in support of the library. Such generosity of time and gifts is very much appreciated and is important in providing additional library materials and services to the town.

Some statistics are: Borrowed from the library, 15,809 books, 722 magazines, 224 jigsaw puzzles. Also circulated are records, pamphlets and a limited number of films and cassette tapes. 195 additional registrations of residents using the library were recorded; they come from all parts of Swanzey and are all ages. The staff answered 640 reference questions and more than 6400 persons made use of the library throughout the year. Books and other materials are borrowed from other libraries and the State Library in Concord in response to the requests of the patrons. Books are taken to the Carpenter Home and other house-bound persons on a regular basis.

The Library is now open 30 hours weekly.

Hours: Monday through Thursday: 1:00-5:00 PM; 6:30-9:00 PM
Tuesday and Thursday mornings: 9:30-11:30 AM

Serving on the Board of Trustees are: Gus Marshala - President; Cal Beecher -Vice-President; Judy Martin - Secretary; Karen Runcy - Treasurer; Hazel Fuller, Charles Ford, Donna Hills; Jane Johnson; Elsie Navish; Marilyn Parpan; Darrell Mitchell; Richard Talbot.

Assistant Librarians: Lorraine O'Gorman and Janet Parsons.

Respectfully submitted,

Ruth Palm, Librarian

Audit Statement

This is to certify that I have examined and audited the accounts and records of the Mount Caesar Union Library for the fiscal year 1979-1980, year ended September 30, 1980, and have found them to be correct to the best of my knowledge and belief.

Auditor

STRATTON FREE LIBRARY

In 1885 George Stratton realized a long standing dream of his - a "free library in his native village, with plenty of good books, so that if some young boy of talent and energy had the same strong desire as himself for obtaining information, he should not go through the same sufferings because there were no books nor people to give him assistance." Also included in the library was "music sufficient to give the young student, except mechanical exercises, about all he will need for study and practice from the beginning of his piano studies to several years later." Vocalists and students of harmony and composition were also provided for.

For almost one hundred years young and old, men and women have been enjoying and using the books that Stratton selected for the library and, later on, the books that are continually being added to the library. Additionally, this year the sounds of live music, once prevalent, came again from the library. Called the "Stratton Summer Series, seven concerts were held on Monday nights last summer. The range of music varied from contra-dancing to flute and harpsichord to classical and folk guitar to Indian songs and dances. We hope to be able to provide more concerts next summer. Many thanks go to the people who served on the planning committee for the concerts: Oliver Francisco, John Fisk, Tom Warner, Ardelle Levin, Joan Long, Rick Allen and Carol Roosa. If anyone would like to join the committee, please leave your name at the library or see one of the above mentioned people. The organizations who helped sponsor these events also deserve special thanks: Gurian Guitar, West Swanzey Drum Corps, West Swanzey Athletic Association, the Homestead Woolen Mill and National Grange Mutual.

This year we have added seventy-one juvenile books and one hundred forty-two adult books to our collection. During the year we have had two visits from the Book Mobile which added about four hundred books each trip to our selection. Our circulation increased by over 25% last year, and sixty-four new people received new cards.

On Thursday mornings during the school year the children from Peter Pan Kindergarten come to the library for story time and to check out books. On Tuesdays from 2:00-2:30 there is another pre-school story time for all interested children in the community. Books are provided for the children at Community Christian School and books and movies are also taken to the Holbrook Home.

Besides the concert series this summer, we had a "Read-it" Book Club in which the children added frogs to lily pads to put in our "pond" for each book they read. Fifteen children received certificates and books at the end of the program. Film programs were also held every other Tuesday night and were quite well attended.

During the year we have had several historical picture displays from the collection of Mr. Eddie Calkins who was at the library to answer questions and provide general information. We continue to have a new display of his pictures at the library each month.

Library hours have been lengthened. They are: Tuesday 2-4:30, 6:30-8:30 and Thursday 10-12 and 2-4:30. We would like to continue the programs we have started and hope that many of you will take advantage of them.

Trustees are: Mr. Ernest Perry - Chairman; Mrs. Carol Haley - Secretary; Mr. Raphael Haley - Treasurer; Mrs. Pat Fenn, Mrs. Barbara Hood, Mrs. Susan Miller, Mrs. Carol Roosa, Mrs. Theresa Stepenuck.

SWANZEY OLD HOME DAY

Before we made our plans for the day, the Old Home Day Committee distributed a questionnaire and made several telephone calls, asking if the townspeople wanted to continue having Old Home Day or discontinue it due to lack of interest. The results of the questionnaire were 55 wanting to continue sponsoring "Old Home Day", 16 votes to discontinue, and 2 suggestions to have it incorporated into the "Rites of Spring" celebration.

Swanzy's Old Home Day was held on July 12, 1980, with approximately 30 people bringing their picnic suppers to the lake. The Cousin Brothers provided music later that evening to a full house. Everyone seemed to really enjoy themselves.

Expenditures for 1980 were as follows:

Cousin Brothers	\$300.00	
Keene Industrial Paper	<u>4.10</u>	
 TOTAL		 \$304.10

REPORT OF SWANZEY ROAD AGENT

The Swanzey Highway Department completed a two-year project that was undertaken in 1979. Ash Hill Road was rebuilt from the Sawyers Crossing Road to the top of the hill. Last year the road was rebuilt from Route 10 to the top of the hill.

Work was done on the Eaton Road. The road was widened by Castor's property and the stone wall along the corner was rebuilt. Three hundred fifty feet of new culverts were installed and four hundred feet was relaid. A new catch basin was added.

The department began reconstruction of a portion of the Troy Hill Road. One half a mile of road from the Swanzey Lake Road to the upper Brown Farm was rebuilt and four new culverts were added. A section of Centerview Drive was also rebuilt.

A wash-out was repaired on the corner of the Carlton Road. The ditch was relaid, stoned and oiled.

West Shore Road was widened near Pilgrim Pines. Cobble Hill Road was re-gravelled.

New Culverts were laid on Christian Hill. All the catch basins and storm drains were cleaned and flushed out in both West Swanzey and North Swanzey.

Tree and brush trimming was done on the Blake Road, Warmac Road, Eaton Road, Goodell Avenue and around Swanzey Lake.

The Highway Department spent time making the Town garage more energy efficient by insulating the garage.

Respectfully submitted,

Carl Walden
Road Agent

SWANZEY RESCUE SQUAD

The Swanzey Rescue Squad is a group of trained people that serve the Town of Swanzey on a volunteer basis. By Mutual Aid, we also serve surrounding towns. The Squad has two emergency vehicles, one in the East Station and one in the West Station.

The Rescue Squad has trained or recertified 6 people this year. We have also sponsored CPR classes to the Fire Department. The Squad is willing to train anyone interested in joining the Rescue.

In comparing our calls from 1979 to 1980 we have had an increase of 43 emergency calls. Our non-emergency calls have decreased by 32 calls.

	1979	1980

SWANZEY PLANNING BOARD

The Planning Board holds regular meetings the first and third Thursday of each month at 7:30 pm at the Town Hall in Swanzey Center. All meetings are open to the public.

During the past year, the Board received ten subdivision applications. Nine of these applications were approved, and one partial was given.

Thirteen site plan review applications were received. Twelve were approved and one was denied because the land was in a residential zone.

The Board recommended two zoning changes during the year that were adopted by the Town at special town meetings.

Site Plan Review and Subdivision fees were adopted by the Board.

The Board is continuing its work on the zoning changes needed to implement the Master Plan.

Members: Chairman - Peter Poanessa; Vice Chairman - Peter Jenkins; Rodney Plummer, Edward Mitchell, Virginia Malone, Ex Officio - Myron Steere; Ex Officio - H. Gregory Johnson; Alternate - Cecil Plummer; Alternate - Winifred Davidson.

Respectfully submitted,

Peter Poanessa,
Chairman

SWANZEY BOARD OF ADJUSTMENT

The Board of Adjustment meets on the third Monday of each month at 7:30 pm at the Town Hall in Swanzey Center. All meetings are open to the public.

During the past year, the Board held eight public hearings, granted two variances, approved one commercial building permit, and denied five variance applications.

With regret, the Board accepted the resignation of Robert Cornwell and Rosemarie Fisher was appointed by the Selectmen to fill this vacancy.

Members: Chairman - H. Gregory Johnson; Vice Chairman - Robert Kenerson; Secretary - Richard Lane; Don Simeneau; Rose Fisher; Alternate - Kermit Madden.

Respectfully submitted,

H. Gregory Johnson,
Chairman

REPORT OF THE SOUTHWEST REGION PLANNING COMMISSION

A real sense of accomplishment!

This is and has been the key phrase regarding the work effort of the Southwest Region Planning Commission in 1980. A number of programs were undertaken in region economic development, land uses, public transportation, energy uses inventory, historic surveys, housing assistance plan — a basic document in support of applications for many federal funding programs, and establishment of a circuit rider program to help town selectmen and other officials.

In a continuing program of technical assistance, the Commission assisted in the completion of 7 community comprehensive plans (and there are 19 in various stages of completion), and subdivision regulations and zoning ordinances. Region Planning Commission staff are considered staff of the member communities and answer numerous questions regarding planning legislation, review of difficult subdivision proposals, and assistance in completing funding applications and other research matters.

The Commission's staff also responds to numerous public and private inquiries concerning region economics and demographics. In 1980, there were 31 member towns, a good indication that in southwest New Hampshire regional planning has come a long way since its start with 10 member communities by their votes at March, 1971, town meetings.

Swanzy completed its comprehensive plan in 1979 and immediately began a review of its land use regulations. Several areas were under consideration in 1980 and hearings have been held concerning some of them. The town continues to grow — 5,179, according to the preliminary 1980 U.S. Census — and all officials are aware of and attempt to respond to the needs of the residents.

The Commission's executive committee currently includes Frank Dierauf, Jr. of Greenfield, chairman; William Robertson of Nelson, vice chairman; John Von Adler of Sharon, secretary; Timothy N. Robertson of Keene, treasurer; and two members-at-large, Peter Poanessa of Swanzy and Mary Jane Grasty of New Ipswich.

The eight-member professional staff is headed by Executive Director Catherine M. Larson. They work from offices at 28 Mechanic Street in Keene, telephone 1-603-357-0557.

BUILDING INSPECTOR'S REPORT

Building Inspector

SWANZEY RECREATION DEPARTMENT

During the year of 1980 the second Little League field in East Swanzey was constructed and utilized. Four sets of bleachers were purchased for the East Swanzey fields. There are eight Pee Wee teams and six Little League teams that use the fields five nights a week. During the season, tournaments are played there.

At Brown Memorial Field the major share of the work on the second field was completed and the field was able to be used. Two sets of bleachers were purchased for the fields. The grounds were used by over 70,000 people during the year.

Fertilizing was done to the East Swanzey Little League and Pee Wee fields and to Brown Memorial fields.

The Summer School program held at Cutler and Mt. Caesar schools was a success with an average of 112 children attending both Cutler and Mt. Caesar. Praise goes to Cindy LaPointe and her staff.

A Red Cross swimming program was held at Swanzey Lake for two weeks with approximately ninety children attending.

On behalf of the Recreation Department we would sincerely like to thank all the volunteers who helped on different projects on the Little League and Pee Wee fields and Brown Memorial fields. Without your help we could not have accomplished all that we did.

Respectively submitted,

SWANZEY CONSERVATION COMMISSION

This past year the Swanzey Conservation Commission was reactivated to work more closely with the Planning Board and Selectmen in helping the Town in deciding land use and conservation of our natural resources. The Commission was active in reviewing dredge and fill permits, investigating citizens' concerns about land use and pollution, and educating the public about conservation of our towns' limited natural resources and areas of scenic beauty.

Some specific projects were:

1. Reviewing the sites of 20 dredge and fill permits.
2. Swanzey Town Spring Clean-Up.
3. Canoe Trip on the Ashuelot to identify areas of pollution.
4. Awarding two scholarships to MRHS students.
5. The sponsoring of a day-long workshop on solar greenhouse construction and use.
6. Maintenance (cleaning, repairing and testing) of the public well at Yale Forest.
